

- Use icons instead of names,
- Try white background

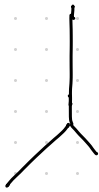

- ditch circles
- icons were incredibly ugly, replace w text

- bottom part like watch face
- intersections don't matter

- highlights instead show average regions (weekly) for that value

Abstract sketch

• build off
this clock
idea to
make
"weather
shapes"

Valve	
Temp	Hue of shapes
Cloud cover	How many shapes (clouds)
Wind Speed	random speed shifting of shapes

low
clouds

cloudy,
windy
